How much progress  
do you have on that  
dress?

**Professor Pena**

I have a open office  
hour on Tuesday at 2 if  
you still want to talk.

**The Gold Divide by Leah Medin**

A year's worth of work culminated for Leah Medin on April 16 the day after the Boston Marathon bombings. The timing was unplanned but fortunate.

An aerial night view of a city with a river and a data security warning overlay. The city is illuminated with various lights, and a river flows through the center. A dark semi-transparent box in the center contains a 'Good Bye!' message and a 5-second countdown. A blue 'Okay' button is positioned below the message box. The background shows a mix of modern and older buildings, some with lit windows, and a river with a bridge in the distance.

# DaVinci

Good Bye!

For your data security the  
window will close in 5 sec.

Okay

**MASSART**

An aerial night view of a city with a river and a central notification box. The city is illuminated with various lights, and the river flows through the center. A dark rectangular box is overlaid in the center, containing text. In the bottom left corner, the word 'MASSART' is written in white capital letters.

# DaVinci
